HOW
TO WEAR

by THOMAS SABO

1.

To open your bracelet, carefully pull apart the two knots until you can pull the bracelet over your hand. Place it loosely on your wrist.

2.

Hold one side of the bracelet with your ring or middle finger from the hand on which you are wearing the bracelet. Now push the knot along the bracelet with your free hand until the bracelet is a good fit.

3.

Now repeat the process on the other side until the jewellery motif is in the centre.
